WHERE WE'RE HEADED

- Our story
- What we tried
- What we learned
- Discussion

HOW WE GOT IPADS

IPFW.EDU/MOBILEEDU

CREATING CONNECTIONS

- Our App-Ed Guide
- Building Relationships
- Digital Divide

[Guides.library.ipfw.edu/apped](https://guides.library.ipfw.edu/apped)

WHAT WE'VE LEARNED

- Mobile is ubiquitous but not uniform.
- Tablets have not yet revolutionized pedagogy.
- Consumption is easier than creation.

DISCUSSION!

The wiki for this session:

WHAT ARE YOU DOING?

- Who are you and where are you from?
- To what extent are you using or providing access to tablets in your library?
- What is your lending model?
- Which platforms do you use or support?

<http://ilf-litd2014-tablets.wikispaces.com>

COLLECTIONS

- How have tablets affected your collection development?
- What is the situation with e-books at your library?
- Have tablets affected weeding/deselection?
- Do you have positive or negative experiences to share.

PATRONS AND SERVICES

- Do you provide training and/or support for mobile devices?
- What do your patrons want or need in terms of mobile devices or technology skills?
- Have you noticed a digital divide? How have you addressed it?

<http://ilf-litd2014-tablets.wikispaces.com>

WHAT'S NEXT

- What plans or ideas do you have for mobile devices and services in the future?
- What lessons can you share that could help your peers be successful with their mobile initiatives?
